

## MLWS Equipment Borrowing Terms

Guild members in good standing may borrow the equipment listed below for as long as 2 months if the item is not needed for a class. If the equipment is not returned by the end of 2 months, the borrower will be charged a fee of \$20 per month until the item is returned. Since the Guild insurance covers our equipment only when it is at the Studio or at the Church of the 49ers, each borrower will be required to sign a check out note to assume responsibility for the item while in their possession. Items must be returned in the same condition as when they were borrowed.

Equipment loaned is limited to the list below. Workshop equipment and accessory items cannot be borrowed, but they can be used for workshops. Borrowed items cannot be used for financial gain to the borrower. Light use for personal projects is the intended use. Commercial use is prohibited.

**To borrow equipment, call or email the Equipment Chair, Karen Swanson 209-221-6841 or [golden.ginrummy@sbcglobal.net](mailto:golden.ginrummy@sbcglobal.net)** to check availability and also to notify when equipment is returned. Some pieces of equipment are in carrying cases with lists of accompanying items. All items must be returned with the equipment. Most pick ups & drop offs will be done during regular meeting times, although exceptions can be negotiated by contacting Karen.
